

My Trip to Litchfield: Yesterday & Today

Imagine you are taking a trip from your house to Litchfield. Fill in the chart comparing a trip by car today and by stagecoach in the 19th century.

	Car	Stagecoach
I. Planning Your Trip		
Can you leave whenever you want to?		
Do you have to buy a ticket?		
Where do you leave from?		
What can you bring with you?		
II. Taking Your Trip		
Where did you sit?		
What powered your vehicle?		
How long did it take?		
Where did you eat along the way?		
Did you have to stay overnight? Where did you stay?		

Is there a similar experience to taking the stagecoach today? How is it the same? How is it different?

Is your town a transportation hub? How do you know?
